

This November I'm walking to support people living with cancer in Melbourne's west!

I'm taking on 42km in 21 days to show support, care and compassion for cancer patients in Melbourne's west and raise funds for Western Health

The money I raise will support additional care initiatives for patients experiencing a cancer diagnosis and treatment.

You can search for my fundraising page and sponsor me at [walkwest.com.au](http://walkwest.com.au)
